Myra caused a second furor when she returned in Myron to battle it out with her eponymous alter ego, a drab little man fallen into marriage and a job in Chinese catering. Theirs is a contest of hormonal roulette, with glorious Myra off on time-travelling missions of mercy back to 1948 to try to change cinema history and to introduce her own radical theories of popuation control. Meanwhile Myron tries desperately to stay in the present as inconspicuously as Myra will allow.
