Your worst nightmares stalk you from the shadows.... Polluted waters unleash a bloodthirsty terror in a small Ontario town. A father and daughter seek sanctuary in an old village church, only to discover that evil knows no bounds. And insanity plagues a young girl as she struggles to prove the monster in her basement is not a figment of her imagination.... Evil is unleashed in Scare Street™s latest bone-chilling collection of supernatural horror. Fourteen tales of terror lurk within this new volume - more than enough to give even the bravest soul a reason to fear the night. As your eyes flutter open, you can still see dark images in your mind.... Horrifying monsters, demons, and ghouls with a hunger for human flesh. You could hear their cries, feel their razor-sharp claws against your skin. But was it real? Or was it just another bad dream? Then, you hear footsteps in the shadows beyond your bed. And a hungry howl echoes through the night, once more. A chill runs down your spine. Because, this time, the nightmare is real. And it's getting closer...
