Synopsis

author	Franki O'Neal
readBy	Carol McAnally
inLanguage	english

Ten-year-old Cissy has psychic powers and is troubled by an ominous family secret. When a woman tries to kidnap Cissy on the same day that a woman is found dead in Noon, Mississippi. Claire McClanahan can't help but get involved. To save Cissy and themselves, she and her husband, Hugh, must sort out alleged satanism, ritualistic animal sacrifices, and gangster-style executions and endure a late night confrontation in an abandoned church cemetery.
