There is something deliciously decadent about the thought of something really adventurous and sexy going on when someone is supposed to be an innocent bride! These erotica stories are certainly not about innocence. You like hearing about first anal sex? Lesbian Sex? Group Sex? Who says that a marriage going on could keep any of that from happening?

The full list of authors includes: Ellie North, Mary Fisher Stevens, Janie Draper, Dawn Devore, Anna Wade, Nora Walker, Amber Cross, April Fisher, Jessica Silver, and Ruby Stone.
