Married at First Sight meets ***The Ex*** Talk in this heartfelt yet sexy second-chance romance debut in which one couple must decide if they can overcome their past for a chance at happily ever after, perfect for fans of ***One to Watch***.

Wedding gown designer Andie Dresser is hanging on by a thread. Gaining a following on TikTok for her one-of-a-kind fairytale gowns has earned her a spot at Atlanta's Fashion Week, but the costs to design a full bridal line have stretched her to her limit. When her best friend suggests she sign up for a reality show with a potential \$100,000 prize, she realizes the money could allow her to hire some desperately needed help. All she needs to do is marry a stranger "sight unseen" and opt for divorce at the end of filming. No big deal, right?

Architect Kit Watson just returned to Atlanta to help his loving but stubborn mother through a health crisis. However, she'll only accept his help if he agrees to settle down, insisting he sign up for a matchmaking reality show. Willing to do anything for his mom, he finds himself at the altar "on camera" staring at Andie, the woman he abruptly left without explanation ten years ago.

With producers out to prove they're the perfect match, Kit and Andie join in on the reality show hijinks, cameras following their every move. Somewhere between zip-lining and ax-throwing therapy sessions, their feelings for each other grow under the spotlight. But with decision day and Fashion Week looming, Andie needs to decide if the manufactured scenarios for TV are enough to choose loving Kit over her dreams of success.
