Elemental witch Abigail Drake, third daughter in a magical bloodline, was born with a special affinity for water and the power to communicate with dolphins. Off the coast of Sea Haven, California, she has spent her entire life swimming among the sleek aquatic mammals, studying their fascinating ways. But then her idyll is shattered when she witnesses a gruesome murder along the shore, placing her own life in imminent danger. Now Abigail must seek refuge in the strong arms of Aleksandr Volstov, the Russian Interpol agent who broke her heart years before. *New York Times* best-selling author Christine Feehan is "the reigning queen of paranormal romance" (*Publishers Weekly*). A mesmerizing blend of suspense and sensuality with a mystical twist, *Oceans of Fire* roars with waves of passion, enhanced by Alyssa Bresnahan's sultry narration.
