The human colony on the fourth planet from the star Pollux is in chaos. Due to the incompetence of the original leadership, they found that the colony was established not only in the wrong place but on the wrong continent of the planet. The leadership was overthrown and a dictatorship established. Barry and his group of misfits trek north to the only other haven on that continent that can support human life. To get there they have to travel through rain, mud, and contaminated air. The fascist dictators, leading the desperate remnants of the original colony, pursued them with the intent of ruling the planet. </p> <p>This is an action adventure and an exploration of an alien world with adult Language and situations. </p>
