The *Official IELTS Prep Listening Strategies* audiobook has everything you need to prepare and excel on the listening section of the IELTS! This powerful audio course was created by expert IELTS tutors and teachers who know the test and all its variations inside and out. In this audiobook, we will cover:

- Listening skills
- Types of listening
- Lectures and talks
- Conversations
- Other types of listening
- Strategies for each type of listening
- Types of questions

Also included is an audio review of the top 300 IELTS vocabulary words. This section teaches you how to master proper spelling, pronunciation and definitions through the use of unique audio exercises. There are three exercises that each consist of 100 words. You'll discover high-frequency words that have appeared in previous IELTS exams, increasing your chance for better test results! The audio is carefully narrated by two professional voiceover artists for easy listening and quick learning. This course is best for anyone who learns by listening. Audio learners will find the presentation to be an exceptional learning experience that gives excellent preparation and guidance toward scoring high on the IELTS.
