Fourteen-year-old British schoolgirl Georgia Nicolson is now dating the Sex God, also known as Robbie, and things couldn't be any more fab. When they snog, life is marvy and gorgey and all that stuff. But then Georgia gets dumped because she's too young. Robbie admits she's a great kid, but thinks she might be more interested in his mate Dave, who is "a good laugh". To lure the Sex God back, Georgia decides to give Dave a go. She hopes that when Robbie sees her with another bloke, he'll go mad jealous and come running back to her. <p> This is the uproarious sequel to the smash hit <i>Angus, Thongs, and Full-Frontal Snogging</i>, a cultural phenomenon. Stina Nielsen delivers a belly laugh a minute with her sparkling portrayal of the hilariously self-obsessed Georgia.</p>
