Can an accidental daddy love a boy for real? Jensen Cartwright managed to get to forty-seven years old thinking he would never meet a man that wanted the sort of relationship he craved until Dashael literally fell into his arms. Homeless, and convinced adulthood is some cruel joke forced on him to make him lonely, Dash is overawed by the sexy older man who seems to offer him everything he's ever wanted including story time, bath time, and special play time.

One Cup of Daddy contains an overworked businessman who finds out that cuddling a sweet boy and keeping him safe might be the best thing he's ever done, and a scared boy who discovers that finding a daddy and holding on tight might just be the best recipe for love ever written.
