

One Dark Hallow's Eve

author: Eldritch Black

2026-07

Synopsis

| author | Eldritch Black |
|------------|-------------------|
| readBy | Hannibal Hills |
| inLanguage | english |

Beware it's Halloween and the Pumpkin Men are coming.

It's All Hallow's Eve and Owen Weeks is not having a good day. Something's stirring in the lake by his house, the dead leaves beneath his shoes crunch like bones, and even the brambles seem to twitch when he's not looking.

Nothing's right.

But things get a lot worse as Owen discovers a terrifying stranger hiding in an abandoned farmhouse. A dark spell is cast. Old magic, magic that raises a terrifying horde of nightmarish creatures.

As the monsters descend upon the village, Owen realizes there's only one place left to go...across the lake. But can he survive the horror of the legends said to live below its muddy waters?

The clock's ticking toward midnight, and soon it will be the hour of the Pumpkin Men and ancient terrors from a distant land.

One Dark Hallow's Eve is a lost tale from Eldritch Black's *The Book of Kindly Deaths*. Listen to it now and slip into a timeless world of dark fantasy and Halloween horror.
