

One Hot Christmas

author: Anna Durand

2026-07

Synopsis

author	Anna Durand
readBy	Shane East, Vanessa Edwin
inLanguage	english

Unwrap a steamy British gift this year....

I had a brilliant life, living in England where everyone knew me as just Ben, the massage therapist. Then my mother summoned me home, determined to marry me off. You see, I'm not just Ben. I'm Bennett Worthington Montague, crown prince of Mithoria, and my mother has arranged for every eligible aristocratic girl to compete to become my princess.

Does anyone care what I want?

But I'm planning my escape. When a mate offers to let me stay at his house in New Hampshire for Christmas while he's on holiday in Switzerland, I jump at the chance. But on my way there, I get lost. During a blizzard. Then a sexy girl rescues me.

A snowstorm, a hot tub, and a beautiful woman. Need I say more? We've only just met, but we can't keep our hands off each other. This might just be the best Christmas ever.

Unless someone tells my mother where I've gone.

One Hot Christmas is the sixth book in the best-selling Hot Brits series of romantic comedies.
