The Sinners Syndicate is a sidekick companion series to the Volatile Vixens. Every superhero...and villain needs a sidekick, but be warned, these men aren't your average alpha males, and they don't accept anything second best.

The Volatile Vixen series is a compelling and dark paranormal romance about a unique group of individuals who join forces in order to defeat a sinister master *Collective*. Obsessed with female villains, the Volatile Vixens explore their dark and twisted personas, dangerous lives, and sensual hunger in a world where reality mixes with fantasy with disastrous - and often humorous - results. Let a new series of mayhem, dark secrets and lies, villains and heroes, seductive eroticism, and thrilling adventure begin!

This is not fan fiction but a totally unique and original story.
