Russia is playing mind games...They've changed the rules.

Can 280 characters destroy a nation?

Avery Goodyear, a romance editor from the suburbs, becomes a player in an international game of psychological warfare.

The FBI watches the attacks unfold in real time. The enemy's strategy: win hearts and minds to destroy American unity. The FBI focuses its secret weapon, ex-Army Ranger Rowan Kennedy, at the crisis.

With a PhD in propaganda, Kennedy puts everything on the line to expose the wealthy oligarchs and high-powered schemers threatening our way of life...and to protect Avery.

To beat the enemy at their own game, Rowan and Avery must break the rules. It only complicates things that they're falling in love.

The game is on. The set is in play. Who will win the match?
