After a groundbreaking event changes the world, all clonesâ€™ familiar and unknownâ€™ must face the consequences. Starring Emmy award-winning actress Tatiana Maslany, Realm presents the official continuation ofÂ the hit TV series Orphan Black.Â â€œThe sequel fans deserve.â€• â€œComicbook.com â€œWildly fun, sexy sci-fi.â€• â€œChicago Sun-Times Since their victory against Project Leda eight years ago, the original sestrasâ€™ Sarah, Alison, Cosima, and those they loveâ€™ have been free to live quiet, anonymous lives. But that anonymity comes at a cost: Cosima is unable to pursue the cutting-edge science that saved her life; Sarahâ€™s daughter Kira is suffocated by her motherâ€™s insistence on secrecy; and Charlotte, the youngest Leda clone, questions why her family gets to survive while other, unaware clones get sick and die.Â Everything changes when Vivi Valdez, a CIA Agent, discovers she, too, is a cloneâ€™ and goes rogue. Viviâ€™s pursuit of the truth brings chaos to the original Clone Club when one of them is accused of murder. To prove their innocence, they must step out of the shadows and publicly claim the secret theyâ€™ve sacrificed everything to protect. Family ties will be tested, long-lasting alliances betrayed, and the future of all clones hangs in the balance. Season 2 picks up where Season 1 leaves off, with (spoiler alert!) the Clones exposed to the general public. Now that the news is out, hundreds of previously unaware clones strive for justice and clash with anti-clone protestors. In the middle of it all, the Sestras and their families wrestle with the consequences of their actions, and what it means for their future.Â Â Emmy Award-winning Orphan Black actress Tatiana Maslany returns for Season 2, but is now joined by original TV show cast members Jordan Gavaris (Felix), Evelyne Brochu (Delphine), and Kristian Bruun (Donnie).Â Orphan Black: The Next Chapter is a Realm productionÂ written by Malka Older, Madeline Ashby, Mishell Baker, Heli Kennedy, E.C. Myers, and Lindsay Smith. Listen Away. For more shows like this, visit Realm.fm
