Lorelei

My time has come. To leave the shadows and learn to control these new powers that have been awakened within me. With my mate, Vincent, at my side, we will work together to battle the forces that are hell-bent on bringing about the end of the world.

While fighting our intensifying bond, I am thrust into a world of where one of our closest friends is taken captive by The Syndicate.

Will our newly formed bond survive the upcoming battle, or will our enemies destroy us?

Vincent

Lorelei is finally mine. Secure in my arms and bound to me, but we are in the middle of an impending war with Lorelei right at the center of it. Old enemies emerge to capture my oldest and dearest friend, and I must do everything in my power to get him back. With Lorelei at my side, I feel invisible, but her powers are growing so rapidly she doesn't know how to control them.

Am I strong enough to protect her, or will they capture her again?
