The senior pupils of St Peter's High School are on retreat to a secluded outdoor activity centre, coming to terms with the murder of a fellow pupil through the means you would expect: counselling, contemplation, candid discussion and even prayer...not to mention booze, drugs, clandestine liaisons and as much partying as they can get away with.

Not so far away, the commanders of a top-secret military experiment, long-since spiralled out of control, fear they may have literally unleashed the forces of Hell. Two very different worlds are on a collision course, and will clash in an earthly battle between science and the supernatural, philosophy and faith, civilisation and savagery. The bookies are offering evens.
