Patty Gayle and the Legend of Kingsley is a fantasy set in Kingsley Lake, Florida, in 1960. It's the journey of Patty Gayle, a twelve-year-old awkward girl, who doesn't think she has much purpose in life until she is given a key that unlocks possibilities of which she could only dream. The key leads her on an adventure to a magical land that she thought only existed in her grandmother's stories. While on her quest, Patty Gayle realizes some of her fantasies, but must strengthen her faith in God, gain confidence in herself, overcome her own fears and emotions, and defeat a sinister sorcerer before the inhabitants of Kingsley can be saved. </p>
