Paul Dennis Reid was dubbed "The Fast Food Killer" after he murdered seven people in 3 different Tennessee robberies in 1997. Reid's childhood was unstable to say the least. He had a very low IQ and suffered from a large number of head injuries both as a child and as an adult. Join Mike and Gibby as they discuss the life and crimes of Paul Reid. Reid had a history of armed robbery and was sent to prison in Texas in his younger days. He moved to Nashville, Tennessee to become a country singing star. But, when that didn't work out, he resorted to the one thing he knew how to do; commit armed robberies. And, in doing so, he killed 7 innocent people and gravely injured another.
