Most Christians earnestly desire to connect with the Holy Spirit, but we all need to understand that the Holy Spirit earnestly desires to connect with us! He wants to unleash divine miracles and supernatural forces that can change the world around us. *Power Portals* explains how these connections work and reveals the benefits that come to the believer when they make the connection.

Joshua Mills firmly believes that all Christians are intended to live, move, and operate in the realm of the supernatural. He explains how they can release the power of God in every area of their life - spiritual, emotional, and physical. Much more than just discerning or sensing what God is doing, we can participate in the supernatural on a daily basis through divine portals, or gates.

Within a power portal, there can be a sudden realization of God's presence, an abundance of healing, spontaneous joy, signs and wonders, angelic activity, an increase in spiritual dreams and visions, or extravagant provision. Some divine portals can be activated in own bodies - our eyes, ears, mouth, heart, hands, and feet. There are also direct heavenly portals, seasonal portals, and geographical portals, places that are home to great movements of God in which people are moved en masse. Places where people go in order to experience the move of God.

As usual, Joshua's writing is filled with amazing personal stories of the supernatural at work in his life and ministry. Get ready to awaken your connection to the Spirit realm. Get ready to encounter power portals.
