Filled with action, romance, and humor, *Pure of Heart* is a fantasy thrill ride into a land filled with wonder and excitement. Orphaned and alone, rogue-teen Dean Walker has learned how to take care of himself on the rough city streets. Unjustly wanted by the police, he takes refuge within the shadows of the city. When Dean stumbles upon an old man being mugged, he tries to help only to discover that the victim is anything but helpless and far more than he appears. The old man claims to be from Kish another world that's being destroyed. He's traveled through a portal called the middle stone seeking help. Certain that Dean is the one he's been looking for, he convinces Dean to go back through the Middle Stone to try and save his world. A reluctant hero, Dean embarks on a journey where he must face dragons, wizards, and Krulgs who will do anything to stop him but he's not alone. Along the way, he meets an inquisitive Elvana, a courageous Dwarf and a beautiful Elven warrior. Together, the four friends set out on an epic quest where only the pure of heart will prevail.
