<p>A popular author of fiction and nonfiction works for children, Sudipta Bardhan-Quallen can often be found in schools sharing her beloved works with children all across the country. With its clever rhymes and cute-creepy storyline, <i>Quackenstein Hatches a Family</i> is the irresistible tale of a very special duck. Quackenstein has no family or friends to play with, until he finds an egg. But when it hatches, itâ€™s not exactly what Quackenstein was expecting!
