

Quantum Predation

author: Isaac Hooke

2026-07

Synopsis

author	Isaac Hooke
readBy	Luke Daniels
inLanguage	english

A colony on the outskirts of known space has ceased all transmissions. Rade and his ragtag team of security consultants are called in to investigate. What could go wrong?

A whole lot, actually.

When an alien invasion seems imminent, Rade has to find a way to get his team out before it's too late.

Contains: intense action sequences, crude jokes, and a whole lot of bugs.
