All she ever wanted was a happily ever after!

Fate has never been kind to Gwendolyn Mary Darling Carlisle. For a brief moment, she was given a taste of the fairytale and it was divine until darkness descended upon Neverland.

Now, the island is ripe for the taking. An evil usurper, cloaked in black wings, seeks the realm for himself. He is ripping the Lost Boys apart from within. Debts are coming due, and a dark stain is seeping into Gwen's soul.

Every trial and tribulation pulls her further from the men she loves and the family she's desperate to hold onto. The throne of Neverland is up for grabs. Can she find the strength within herself to defeat the darkness? Will she don the crown and become Queen of the Lost Boys?
