***I'm just going to say it. Peace is the worst superpower....***

Luke Trellis is Lord Peace, also known as Puking Peace. And no, he doesn't love the nickname any more than he loves the power. His siblings have psychic powers that let them travel through time, control the elements, and make billions of dollars.

Luke's just Peace. Boring, non-sexy Peace.

When a friend goes missing, Luke will make his way into the shifter community to rescue her.

And to the shifters, Peace is *anything* but boring. Shifter bonds of power, family, and love are like nothing Luke's ever seen.

*Ransom* is the first book in the complete Peacekeeper™s Harmony series of psychic shifter romance novels.
