

Redemption Rose: Montana Sky Series

author: Louella Nelson

2026-08

Synopsis

author	Louella Nelson
readBy	Mary Castillo
inLanguage	english

From the Wild West to the steamy jungles of Panama and across the American Territories, shipping scion Joseph Rawlins courts the eldest Harper sister, Susan, through correspondence. His letters are fascinating, romantic, and above all safe. While she's drawn to him, Susan fears the discovery of a past scandal will not only hurt him and ruin her, but also damage her sisters' reputations and jeopardize the political career of Joseph's father.

A rose plant from Joseph's matchmaking mother ironically foreshadows Susan's inner journey to healing. In the striking conclusion, as wedding preparations begin for a sister, Susan confronts the past and finds it's not just her who hides secrets that could destroy a family.

Redemption Rose was first published as a Montana Sky Kindle World book.
