<p>Why should you settle for 0.05% interest in a savings account?
 When inflation is over 8%!</p> <p>With interest rates rising, your cash could now <i>finally</i> earn you some interest income.

 Wellâ€¦it couldâ€¦but it may not be doing so.

 You see, many financial institutions are not passing along higher interest to customers holding cash.

 You should check to see how much your money earns.

 Bank of America pays 0.05% on savings account.

 Charles Scwab will pay you a whopping 0.4% for cash in your investment account.

 Even the top rated money market account from Capital One will only pay you 3%.

 So what to do instead?

 This book will not only show you <i>why</i> REITs are the easiest way to leverage real estate investing.

 Youâ€™ll also see how you can earn $1,000 or more per month in passive income with dividend yields of up to 9%.

 Itâ€™s no wonder that billionaire investors like Warren Buffett, Charlie Munger and George Soros have all owned REITs in their portfolios.

 Hereâ€™s just a fraction of what youâ€™ll learn inside:</p> How to get rich in real estate, without owning any properties â€“ Page 15 The â€œyield trapâ€• how to avoid poor value REITs Get in before December 30th to profit from this booming industrial REIT which pay 7.8% per year An under the radar REIT which pays 6% per year while growing its share price What percentage of your portfolio should be in REITs The little known 1986 tax reform which makes these companies fantastic dividend opportunies The only private REIT worth buying in 2023 The best monthly paying dividend REIT. We narrowed it down from 56 and this little known San Diego corporation will send you dividends every single month And much, much more! <p>Youâ€™ll also get our 10 part video course <i>Company Valuation 101 </i>as a free

bonus<i>.</i>

 This is not a 600 page textbook which you need an MBA to understand. Written in plain English and free from repetitive technical jargon.

 Every single piece of financial terminology is clearly defined inside.

 Youâ€™ll find easy-to-follow advice in how to develop your own process for analyzing companies. As well as concrete examples of everything we teach.</p> <p>For everyone who feels frustrated and crushed after watching so-called professional money managers lose half your money while charging fat fees. This book is a liberating experience which will inspire you to take personal responsibility for your financial future.

 So even if youâ€™re never listened to a single finance or investing book in your life, you will immediately understand how to get steady dividend income with REITs.</p> <p>To kickstart your REIT journey today, scroll up and click â€œadd to cartâ€•.</p>
