Synopsis

Our story tonight is called Retreat and it's a story about some time spent somewhere quiet and calm. It's also about paths through a pine forest, the soft experience of living moment to moment and a butterfly finding jasmine as she flits among plants deep in the woods. We give to a different charity each week and this week we are giving to The Maui Strong Fund. The fund is providing financial resources that can be deployed quickly, with a focus on rapid response and recovery for the devastating wildfires on Maui. <https://www.hawaiicommunityfoundation.org/maui-strong> www.nothingmuchhappens.com
