Revelation Deciphered by Nelson Walters will knock the spiritual "socks" off the Church! Scripturally sound and recommended by dozens of Bible scholars, *Revelation Deciphered* is a monumental, one-of-a-kind, Bible-wide commentary of the end times. **Nelson Walters** demonstrates that Revelation contains references to hundreds of Old and New Testament passages. These references **decipher** the meaning behind Revelation's cryptic prophecies. If you have ever wondered what Revelation is all about, the answers were always there in Genesis, Deuteronomy, Joshua, Judges, Joel, Job, Psalms, Isaiah, Jeremiah, Ezekiel, Daniel, Zechariah, Zephaniah, Micah, Matthew, Mark, Luke, John, etc. Understanding Revelation in this new, fresh, *biblical* way organizes all of biblical prophecy into one coherent whole. *Revelation Deciphered* shows how these puzzle pieces fit together. Nelson Walter's method provides answers to questions whose solutions have lain concealed for centuries:

Is there a "Pattern of Seven Events" woven throughout all of scripture that identifies and explains each year of the upcoming time period our culture calls "the Tribulation"?

Does this "Pattern of Seven Events" help reveal the timing of the Rapture with precision?

Are the "Letters to the Seven Churches" in Revelation prophetic and not just historic letters or Church Ages? Do these unique prophesies provide the Church with detailed instructions on how to overcome the trials that lie ahead?

Does scripture predict a major Mideast war prior to the "Tribulation" that will launch the career of the Antichrist? Where does scripture predict he will arise?

What are the Four Horsemen and the Beast; and how are they related to the rise of Islam?

Most importantly of all, how should Christians apply what they've learned from Revelation to live victoriously in the days ahead?

</p><p>You will be amazed and blessed by the new insights uncovered in <i>Revelation
Deciphered.</i> This is unlike anything you have read before.</p><p></p>
