

quo;Stanky Chops” Ramirez AKA The Nights

author:

2026-07

Synopsis

Richard continues on a path of unimaginable mayhem but don't worry, his capture will have you applauding in the end. Trigger warning: There is a lot of mentions of sexual assault and one mention of sexual assault against a child. I mention this when it is about to be discussed during the episode too, so don't worry...you can skip that part if needed.
