Dealing with traffic court for a ticket that wasnâ€™t even my fault shouldnâ€™t have had such an impact. As soon as my eyes snagged on the dark, brooding stranger, I had to know him. Talk to him. A compulsion, almost, to make him smile. I donâ€™t expect to see him again until suddenly there he is, saving me. From life and even myself. Hope heâ€™s ready for one hell of a ride with danger.
