What if dreams are more real than waking life? Life is already complicated enough for Awa Bryant when she starts having weird dreams—waking dreams—and strange coincidences start appearing in her real life. She meets dream-charmer Veila, a quirky glowing creature who helps to guide Awa through the mysterious Dream realm. At first, the Dream realm is a glorious escape from Awa's daily struggles, but something is not right. Soon, Awa discovers she has a bigger quest, and everything she cares about is at stake. Will she be brave enough to face her fears and save her friends?
