River rafting and adventure company owner Sam Braden works hard and plays harder. He's fast, focussed, and determined - and never at a loss for a willing woman to share his time with. The trouble is, the only woman he wants refuses him at every turn.

Physician assistant Faith Hayes escaped her painful past and built a safe, happy life in Peaceful Harbor. She's also put what she's learned to good use helping others by founding Women Against Cheaters, an online support group. When her boss's sinfully sexy brother sets his sights on sweet Faith, she knows the self-professed player is everything she shouldn't want, and she's determined to resist him.

Sam pulls out all the stops, proving to Faith that his past doesn't have to define his future. As she lets down her guard and begins to trust Sam, intense conversations turn to intimate pleasures. But when real life steps in and their pasts collide, it's Faith who's left with something to prove.
