I'm about to attend the sexiest family reunion I've ever been to.... Willie and I...have a bit of a history together.... Living under the same roof as teenagers, in such close proximity, it seems - in hindsight - that it was inevitable for what happened between the two of us to have taken place.... Now, after all this time, I'm about to see him again. The two of us are planning to meet once more at a family reunion. Will he even be there? This suspense is unbearable.... A standalone stepbrother romance with no cliffhanger.

Warning: This book contains lots of *hot* sex, drama, and some adult language. If this is not the kind of stuff you like to hear, then start now and see what you have been missing! Enjoy!
