Synopsis

author	Meatball Fulton
inLanguage	english

Illuboo Roi is a planet inhabited by pear-shaped beings with pointed heads. Ruby is hired by Oop Boop, an Illuboo, to uncover a secret society known as "The Illusionati". When the Digital Circus is invited to Illuboo Roi, Ruby, Teru, And/Or, and Rodant Kapoor travel incognito as performers. Meanwhile, doppelgrangers, grown out of bio-flesh, are replacing influential Illuboos, perhaps even Oop Boop!
