Synopsis

author	Lexington Howe
readBy	Alexander Doddy
inLanguage	english

Set in the early 1900s, a young boy comes across a life altering machine - and creatures - that may change the course of London's history. Oliver finds himself struggling with understanding the means of the system and where he fits in among creatures that aren't necessarily human. Can he beat the clock and save humanity before it's too late?

Reader's comments

comment 1: Elena Carter

Rumae by Lexington Howe is a compelling dive into a world that straddles the boundaries of fantasy and reality. The novel masterfully intertwines the lives of its characters with an enchanting yet mysterious setting that captures the reader's imagination from the first page. Howe's writing style is both lyrical and vivid, painting a landscape that feels as alive and dynamic as the characters that inhabit it. The protagonist, Rumae, is a brilliantly crafted character whose journey of self-discovery and resilience resonates deeply. Her struggles and triumphs are depicted with authenticity and emotional depth, making her a character that readers will root for and empathize with. The plot is intricately woven, with twists that maintain suspense and intrigue, keeping the reader eagerly turning pages. Themes of identity, courage, and the power of choice are explored with nuance and insight, offering a thought-provoking reading experience. Overall, Rumae is a testament to Lexington Howe's storytelling prowess and creativity. It is a must-read for fans of fantasy who crave a richly developed world and characters that linger in your mind long after the final chapter. This book is a remarkable addition to the genre and a testament to the power of imaginative storytelling.
