Synopsis

(Originally published January 27, 2022)

We take a close look at the 70+ state grand jury charges against Alex Murdaugh related to alleged fraud and money laundering schemes the attorney used against his own clients.

A barrage of criminal indictments since November 2021 say Alex Murdaugh allegedly stole nearly \$9 million from more than a dozen victims over the course of 11 years.

In this episode, one of those reported victims â€” S.C. Highway Patrol Lt. Tommy Moore â€” tells how Alex Murdaugh lied and stole from him with a smile on his face, as the trooper dealt with debilitating injuries.

Despite all the claims of stolen money â€” in many cases, from deceased victims' families â€” Murdaugh's representatives now say the disgraced attorney has no money left. It all begs the question: what happened to those missing millions?
