

Sally

author: L. Moone

2026-08

Synopsis

authori¼š	L. Moone
readByi¼š	Sasha White
inLanguagei¼š	english

The past always catches up eventually.

Sally keeps her relationships simple and uncomplicated. Always. Until a ghost from her past tracks her down at work and opens all sorts of old wounds.

Garret wants to talk. Sally wishes to never see him again. And Mark, well, deep down he still just wants Sally. Despite everything.

Listen along as Sally discovers that wounds hurt when they heal and that relationships often lead to complications, whether you want them to or not.
