

# San Antonio Revolts

*author:*

---

2026-07

## Synopsis

---

The first decade of the 19th century brought more tumult to San Antonio than she had experienced in the entire century before. The missions were shuttered, a menacing new neighbor arrived on Texas's Eastern border, and a civil war erupted in town between republican and royalist factions, as San Antonio took on a tragically leading role in Mexico's War of Independence.
