**A blast from the past. A dangerous decision. This time, our psychic sleuth becomes the victim!**

Mitzy Moon loves her new home town. But when history comes calling, she's tempted by distant memories and forced to reconsider. Now her sudden disappearance could be an impromptu road trip or something more sinister.

Mitzy seems to have fallen off the map, but her boyfriend, the handsome sheriff, continues to receive playful texts from the absentee heiress. Meanwhile, her entitled feline, Ghost-ma, and a powerful alchemist suspect foul play. Mitzy's captor may have control of her phone, but he's underestimated his prey.

Can Mitzy outsmart her jailer, or will her story be laid to rest?

*Schemes and Bad Dreams* is the fifteenth book in the hilarious paranormal cozy mystery series, *Mitzy Moon Mysteries*. If you like snarky heroines, supernatural misfits, and a splash of romance, then you'll love Trixie Silvertale's crooked caper.
