My name is Lily Harper. I've been a governess for eight years. Now my employer's children are grown, and my mother needs round-the-clock nursing care. My employer has a solution, but I'm not sure I can pay the price. It seems that Lady Montgomery has certain unconventional needs. In return for her help, I am to fulfill those needs. She has enlisted Lord Harcourt to train me in how to serve. It seems that despite my inexperience, I am a wanton. Lord Harcourt says my mistress will be pleased. This Victorian novella is the first book in a trilogy. Lily is a 26-year old governess whose charges have grown up. When Lady Montgomery decides to have Lily trained for some special duties, Alpha Male Lord Harcourt is just the dom for the job. While Lily is being schooled in submission, her master discovers her to be an excellent student.

Warning: This novella contains seriously scorching content. Lily's training includes bare-bottom spankings, spanked breasts, clamps, bondage, public nudity, oral sex, first-time sex, anal play, Sapphic love, and more. Intended for mature listeners, 18 and over.
