In this volume of the short story series, we present five more exciting classic science fiction tales. Worldwide pandemics, missing battleships, super scientists, spies, and the settling of a new world. The stories are: 'A Question of Courage' by J. F. Bone, 'Genesis' by H. Beam Piper, 'Pandemic' by J. F. Bone, 'The Mercenaries' by H. Beam Piper, and 'The Misplaced Battleship' by Harry Harrison.
