**The Furies are back. But the rules have changed....**

Four years have passed since Evelyn Figueroa and Aleksandr Sokolovsky were able to achieve the impossible and escape the clutches of the Furies. Physically and emotionally scarred, the duo has been able to enjoy a peaceful reprieve from the deadly monsters that tormented them. But the Furies have returned, and theyâ€™ve changed the rules of the game. Not only are Evelyn and Aleksandr fighting for their own lives, but even their loved ones are being hunted. Determined to secure their freedom, they come up with a dangerous plan - find whoever started the curse and end it by any means necessary. Their plight takes them from the bloodstained sands of their ghost town to a desolate island off the coast of Australia. But no matter what they do, the Furies are close behind, toying with them, playing with their emotions, and feeding off their fear. Aleksandr and Evelyn realize that even their resolve wonâ€™t be enough to fight back the monsters that will stop at nothing to kill them. Death is closing in. And no one is safe.
