Synopsis

DERELICT Premium: <https://derelict.supercast.com> Dr. Eva Graff finds herself in her most precarious situation yet: trapped in the rubble of the collapsed western Control capsule, lost and alone, her odds of survival decreasing rapidly. More than that, the death of Joe Freeman has taken a great toll, a trauma similar to one she has already suffered...and it may have broken her, leaving her ill equipped to deal with the major revelation that is coming about the events that have transpired on Fathom base.
