Zoe Hunter thought all the questions surrounding her ex's mysterious past had been answered. She couldn't have been more wrong.

Free-spirited Zoe lives an unconventional life. She tried the nine-to-five office routine, but it was like the death of a thousand cuts-paper cuts. She couldn't take it, and vowed to make a living outside of a cubicle. Now she's a "Jill of all trades," taking on freelance copy-editing, property management, and even dog walking gigs. Sure, it's a little insecure, but Zoe isn't exactly what you'd call cautious.

Normally she loves surprises and the unknown, except when it comes in the form of a mysterious package, visits from the FBI, and thugs showing up on her jogging route. Zoe isn't sure who she's more afraid of, the FBI or the thugs, so she makes a snap decision and skips town to follow the clues in the package. The trail takes her to London, where she suspects she'll find her ex, Jack.

The authorities think he's dead, but Zoe doesn't agree. Can she find her elusive ex? And what about her new tenet with the shy smile and sexy stubble? Why does he keep popping up in her life? Zoe will have to use her rather eccentric skillset to answer those questions, all the while dodging someone who wants to make this trip abroad her last.
