But Lady Mara must contend with battles on two fronts: in the hotbed of intrigue and treachery that is the court of Tsurani; and in her heart, where her affection for a barbarian slave from the enemy world of Midkemia leads her to question the principles by which she lives.

Servant of the Empire is the second in Feist and Wurts's™ wonderful epic trilogy – one of the most successful fantasy collaborations of all time. The trilogy concludes with the third book, Mistress of the Empire.
