A sizzling hot stand-alone contemporary romance!

I inherited a life I never intended to live.

I've upheld my responsibilities admirably. And I've taken care of my own needs privately...

I'm biding my time until I can get the hell out of here.

But I didn't count on having unfinished business with one of my very best friends...

When a man has a certain "reputation" to uphold, there can be no unhappy customers left behind.

Lauren is a loose end that won't be tied up no matter how hard I try.

And I try hard. Really, really...hard.
