FBI data analyst Lacy Merrick returns along with her closest allies in this latest thriller. The ground work has been laid. Justice for Lacy's husband and the other victims of the attack six months ago would soon arrive. Expert hacker and close friend Aaron Hunter is working with her side by side to help ensure that happens. But when FBI Agent Will Caison returns to Washington, vowing to help Lacy once again, a disruption to their plan changes everything they had been working toward. Operatives involved in the cover-up begin to disappear, one by one, and Lacy must face a new and unexpected reality. Another player in this deadly game of deception has risen. One whose power holds sway over the highest office in the land. And one who keeps his true intentions hidden. They thought they knew what to expect; had planned for every scenario; except this one. It's too late to turn back now. So, what will Lacy do to keep the truth from being buried forever

In this second installment of the Lacy Merrick series, Robin Mahle delivers another action-packed and suspenseful thriller that won't disappoint.
