An all-new audio version of one of the key titles in the entire Forgotten Realms novel line.

At the time of its original release, this series presented key events that impacted the entire Forgotten Realms world, and the effects of those events are still felt in current novels. This title was originally released under the author's pseudonym, Richard Awlinson.

When the gods are banished from the heavens, they must travel through Faern in the guise of mortals.

When four companions, last survivors of the Company of the Lynx, find themselves in possession of a mysterious amulet, they must escape death at the hand of Bane, god of murder.

When magic itself runs wild, no one can say that the most innocent of spells will not destroy the world.
