Have you ever met a person that you just were in sync with? You knew immediately that they were someone special for you? Would you know how lucky you were? Would you know they were the one?

What do you do when you fall in love with a woman, when you thought you were straight? Dealing with this unusual relationship brings a lot of "firsts" to Joan's life.

Joan is a world-renowned artist who has always identified as straight, has three children, and is content with her life, when she meets Grace, a respected psychiatrist who also happens to be a lesbian.

Joan is conflicted and has to deal with her feelings, the incredible woman she finds herself in love with, and the relationship that occurs over the next 20 years.
